<u>Open Issues</u>			
LP35 Update	@ 0913	Work continues to fine tune the LP35. There are still issues with visualizing wave strips within the vitals power tool. There is also the addition of 15 Leads and posterior lead placement for documentation. The system has no problem with Paramedics performing this skill. You cannot edit imported monitor data inside of the timeline.	Klein Bill T.
Pertinent Negative & See Attached Med List	@ 0915	Vote on User Voice please thanks!	Klein
